

"THE SUN NEVER SETS ON SAFETY"

Class Equipment List

Students need climbing equipment as they will spend at least one full day on the tower.

Each student should have the following PPE and climbing equipment:

- ❖ Full Body Tower Climbing Harness (preferably with a saddle)
- ❖ Hard Hat with chin strap
- ❖ Gloves (tight, comfortable fit) – mechanics type glove works well
- ❖ Work/Climbing Boots with safety toe, traction sole; preferably a reinforced shank (*NO TENNIS SHOES*)
- ❖ Long Pants (*NO SHORTS*)
- ❖ Double Leg Lanyard “Y-Lanyard”
- ❖ Positioning Lanyard
- ❖ Minimum of 4 Carabineers (any size) ANSI Z359 Rated
- ❖ Double ended snap hook (“Spreader Bar”)

If you have these equipment items, bring them:

- ❖ Cable Grab (“Safe Climb”)

***Remember: stay hydrated in the field** – water and snacks are strongly suggested.

***Some tower sites require safety glasses and/or hearing protection** in conjunction with property or site owner policies. ALWAYS come prepared with these additional PPE.

Certain environments may require additional PPE such as: Sunscreen, Lip Balm, Bug spray, additional clothing, etc. AGAIN – **BE PREPARED! SAFETY IS NO ACCIDENT!**
